MEMORANDUM OF UNDERSTANDING (MOU)

This Memorandum of Understanding (hereinafter referred to as the "MOU") is made at Sindh Technical Education and Vocational Training Authority, ST-19 Block-6 Gulshan-e-Iqbal Karachi on day of 26th December, 2023.

By & BETWEEN

Sindh Technical Education & Vocational Training Authority (STEVTA) situated at ST-19 Block-6 Gulshan-e-Iqbal Karachi established under the laws of Pakistan with its offices/institutions in the province of Sindh represented by Mr. Munawar Ali Mithani, Managing Director, hereinafter referred to as STEVTA,

AND

SINDH PRISONS & CORRECTIONS SERVICE, a provincial department established by the Government of Sindh represented by Syed Munawar Ali Shah, Inspector General SP&CS, hereinafter referred to as SP&CS,

I. PREAMBLE

- Whereas Sindh Technical Education and Vocational Training Authority (STEVTA) is an authority established by Government of Sindh to manage and regulate Technical and Vocational Education and Training with the close coordination of industry in the Sindh province.
- Whereas SINDH PRISONS & CORRECTIONS SERVICE is a provincial department responsible for security, management, and corrections in all prisons in Sindh, presently comprising over 22 prisons located in 03 regions of Sindh province (Karachi / Hyderabad / Sukkur).

- Whereas the terms and conditions laid down in the MOU will be executed through a committee, comprising members from both sides mentioned above (herein after called the "JOINT CORE COMMITTEE" will be responsible to oversee and execute all activities of the partnership meant for rehabilitation of the prisoners including academic and technical vocational training program to transform the lives of prisoners to make them skilled, Educated and good responsible citizens once they complete their period of conviction or confinement.
- Whereas SP&CS has expressed its willingness to work with "STEVTA" to upgrade existing facilities in all prisons of Sindh to facilitate prisoners in providing academic and vocational training.
- Whereas, in accordance with the Vision, Aim and Objectives of this MOU, both the partners have agreed to make collaborative efforts to arrange facilities for academic and vocational training exclusively for prisoners for their rehabilitation and to transform their lives to be skilled, educated and good citizens.
- Whereas, Sindh Prisons & Corrections Service Act & Rules 2019 delineates about reformation, rehabilitation of the prisoners through different ways and means & to achieve such objectives, SP&CS has agreed to launch the project for prisoners through collaborative efforts with "STEVTA" by providing academic and vocational training facilities exclusive for prisons.

II. COMMITMENTS ON MUTUAL UNDERSTANDINGS

SP&CS and STEVTA have agreed upon to join hands on principals of working together to provide a complete academic and vocational training package for prisoners for minimum required period or longer to meet the learning objectives of the project envisioned in providing vocational training facilities. The Program includes mandatory workshop training, academic coaching and behavioral therapy, which may upgrade education and character levels through intensive counselling and coaching to transform their lives.

III. WAY FORWARD/ROAD MAP

- A) Identify the most feasible academic and vocational training skills in the context of local economic potential to be imparted to the prisoners.
- B) Develop Operational Training Manual to manage academic and vocational training facilities including fund disbursement relating to education & training expenses in terms of consumable, tools & equipment and salaries of trainers.

IV. Procurement

Wherever, the procurement process is involved, STEVTA will proceed in accordance with prescribed procurement procedures under SPPRA Rules 2010.

V. ROLES AND RESPONSIBILITIES:

SINDH TECHNICAL EDUCATION AND VOCATIONAL TRAINING AUTHORITY

1. STEVTA will provide technical assistance to build the capacity of lead project team to successfully implement the project in Sindh province. The assistance shall include to guide and train the implementers to revamp existing training facilities in the selected prisons on modern lines by following international best practices.
2. All the expenses of the cost of technical assistance and equipment shall be borne by STEVTA and utilities with its allied accessories (Electricity, Gas, Water, Internet) shall be the responsibility of SP&CS.
3. The assessment & certification of the prisoners shall be made by the Sindh Board of Technical Education/ Sindh Trade Testing Board.

SINDH PRISON & CORRECTION SERVICE

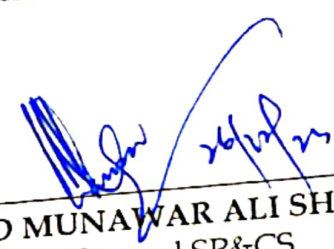

1. SP&CS shall provide access to STEVTA to existing vocational training units to launch the project.
2. SP&CS will facilitate in selection of prisoners willing to participate in academic and vocational training program.
3. SP&CS will facilitate STEVTA to incorporate the new trades in demand (if any) to extend training facilities in prisons.

VI. Mandatory Provision:

The above mutually agreed roles and responsibilities of the training program would be obligatory on both the partners, who shall be responsible for successful implementation of the project in the prisons of Sindh. Initially the period of MOU will be for 03 years extendable for further period depending on mutual understanding.
